## Sessions-Symposia-Social Events

The Year 2003 Annual Meeting for the Society for Integrative and Comparative Biology (SICB) is an educational and research forum for scientists and students studying the biological sciences. The meeting will include many symposia, workshops and special programs in addition to hundreds of contributed papers in divisional and topical sessions. Watch the SICB Web site at [www.sicb.org](http://www.sicb.org) for Schedule of Events updates and the posting of abstracts in October, 2002.

### Special Symposia

In addition to the wide variety of divisional symposia, there will be one Society-wide symposium: Selection and Evolution of Performance in Nature. In addition, there will be two symposia that are co-sponsored with the Canadian Society of Zoology: Comparative Biology of Cystic Fibrosis Transmembrane Conductance Regulator (CFTR) and Hormones and Metabolism—A Fishy Perspective and one Official CSZ Symposium: Biology of the Canadian Arctic.

### Social Events

Attend SICB's social events and use your free drink ticket! All events will take place at the Sheraton Centre Toronto.

### Special Events

- ◆ Following tradition, there will be a Bartholomew Award/Lecture and Dr. Hubert Vaudrey will give the Howard Bern Lecture.
- ◆ NSF will have program officers present to meet with members and discuss funding opportunities. NSF program officers will again be interested in hearing what members think should be supported by NSF.
- ◆ The Public Affairs Committee will sponsor two events at the Toronto meeting: The Evolution Town Meeting, a mostly open-mike forum featuring "Tales From the Front Lines." SICB members are encouraged to come and share their experiences and strategies for dealing with assaults on the teaching of evolution; and the Media Workshop on "Building a Killer Website," featuring SICB's own webmaster, Ruedi Birenheide. Ruedi will cover topics such as elements of good web page design, using common applications to build a web page, and how to include multimedia elements.
- ◆ Francesco Santini from DSEB will be presenting a workshop in conjunction with his symposium. This will be the latest installment of the Phylogenetics for Dummies series, which DSEB has been presenting.

### Student "First Timer" Orientation

If you have been selected as a student travel worker, you are required to attend the orientation; if you are registering as a student and this is your first time at a SICB meeting, you are strongly encouraged to join the Student/Postdoctoral Affairs Committee on Saturday, January 4 from 5:00-6:00 pm, to learn about the benefits of the Annual Meeting, meet your fellow students, and receive tips on presentations at the meeting.

### Opening Session - Past Presidential Address

Join us for the Opening Session featuring Martin E. Feder, Professor of Organismal Biology and Anatomy, The University of Chicago, on Saturday, January 4, from 6:30-7:30 pm. He will speak on "Days of Miracle and Wonder: The Future of Integrative and Comparative Biology."

Professor Feder's research is on evolutionary physiology and adaptation, and exploits emerging synergies among integrative biology, molecular biology, and genome-enabled science. His talk will explore how new modes of integration - scientific, social, and electronic - may revolutionize how we think about organisms. See: [http://pondside.uchicago.edu/~feder/Martin\\_Feder.html](http://pondside.uchicago.edu/~feder/Martin_Feder.html)

## Welcome to Toronto Reception

The Society for Integrative and Comparative Biology welcomes you to Toronto with a reception on Saturday, January 4, from 7:30 to 9:30 pm. A cash bar will be available and snacks will be provided.

### Companion Orientation/Continental Breakfast

All registered guests are welcome to join an informal gathering on Sunday, January 5, from 9:00-10:00 am. A knowledgeable local person will be on hand to let you know about some of the many fascinating facts and sightseeing opportunities that Toronto is famous for.

### Student/Postdoctoral Luncheon

The SICB Student/Postdoctoral Affairs Committee offers students an excellent opportunity to meet with fellow student members in an informal setting on Sunday, January 5, from 11:30 am-12:50 pm.

### SICB Business Meeting

The SICB Business Meeting will take place Tuesday, January 7, from 5:15 - 6:15 pm.

### Student/Postdoc Workshop

Tuesday, January 7, 6:15-7:30 pm. This popular workshop is designed to address the needs of SICB's developing scientists in an informal, discussion-oriented setting. Each year, academic faculty and other professionals are invited by the Student/Postdoctoral Affairs Committee to spend part of an evening discussing issues of importance to student and postdoc members of the Society, including topics relating to jobs and career choices, research funding, and development of teaching skills. This is an excellent opportunity to ask questions directly from those currently holding academic/other positions and to gain insight on developing important aspects of one's career.

### SICB Society-Wide Evening Social in Honor of Students and Postdocs

Join your fellow SICB members for a Society-Wide Social on Tuesday, January 7, from 7:30-9:30 pm. Coffee, desserts and fruit will be served and a cash bar will be available.

### Symposia

- ◆ Selection and Evolution of Performance in Nature
- ◆ Biology of the Canadian Arctic
- ◆ Comparative Biology of Cystic Fibrosis Transmembrane Conductance Regulator
- ◆ Hormones and Metabolism—A Fishy Perspective
- ◆ Recent Developments in Neurobiology
- ◆ NSF Integrated Research Challenge in Environmental Biology: Biological Stoichiometry from Genes to Ecosystem
- ◆ Physiology Underlying Phenotypic Plasticity and Polyphenism
- ◆ New Millennium Approaches to Comparative Endocrinology
- ◆ Flash Communication: Fireflies at Fifty
- ◆ Comparative and Integrative Vision Research
- ◆ 30 years of Biochemical Adaptation: A Symposium Honoring Peter W. Hochachka
- ◆ Patterns and Process in the Evolution of Fishes

## Want to Present This Year? There May Still Be Time

Abstract submission deadline is September 6, 2002. Visit the SICB web site at [www.sicb.org](http://www.sicb.org) for online submission information and the form.

## American Microscopical Society Luncheon

AMS members are invited to meet for a special luncheon which will follow their Past Presidential Address on Tuesday, January 7, from 11:40 am-12:50 pm.

### Registration

Register for the 2003 SICB Annual Meeting via SICB's secure Web site at [www.sicb.org](http://www.sicb.org) or use the enclosed form. ## Three Ways to Register

To qualify for discounted registration fees, registration forms and payment must be received at the SICB Business Office by Friday, December 10, 2002.

Register online at [www.sicb.org](http://www.sicb.org).

Register by fax: Fax your completed form with credit card information to (703) 790-2672. VISA, Mastercard, Discover and American Express accepted.

Mail your completed form (payable to SICB) with payment to:  
SICB Business Office  
1313 Dolley Madison Blvd., Suite 402  
McLean, VA 22101.

Mail completed registration form with check, money order, purchase order or credit card information.

Individuals will not be registered nor will space be held without full payment.

## Registration Fee Categories

Most non-member categories include SICB membership for 2003. If you are not already a SICB member, fill out the membership application/dues renewal form to receive your complimentary membership. If you are a member, use that form to pay your 2003 dues.

- ◆ 3 Symposia co-sponsored with CSZ.
- ◆ The Student/Postdoctoral Party and the Society-Wide Social have been combined into a Society Wide Evening Social in honor of Students and Postdocs to be held on Tuesday, January 7, from 7:30 - 9:30 pm.
- ◆ Individuals registering as non-members will automatically receive SICB membership for 2003 (simply by completing the application form).

## General Information

### Annual Meeting Program and Abstracts

All registered attendees of the 2003 Annual Meeting will receive a copy of the Annual Meeting Program and Abstracts on-site at the SICB Registration/Information Desk located at the Sheraton Centre Toronto. Copies will not be mailed prior to the Annual Meeting. They will be available prior to the Annual Meeting on the Web site at [www.sicb.org](http://www.sicb.org) and attendees can plan their activities from the web. The abstracts will be published as part of the next available issue of *Integrative and Comparative Biology*.

### Registration/Information Area

The SICB Registration/Information area will be located at the Sheraton Centre Toronto. The hours of operation are:

Saturday, January 4	10:00 am-8:00 pm
Sunday, January 5	7:00 am-5:00 pm
Monday, January 6	7:00 am-5:00 pm
Tuesday, January 7	7:00 am-2:00 pm
Wednesday, January 8	7:00 am-Noon

Staff is available during these times to assist you with membership enrollment, on-site registration, conference materials, employment opportunity information, meeting room locations, and information on Toronto.

### Employment Opportunities

The Employment Opportunity bulletin boards will be located in the SICB Registration/Information area. The Employment Opportunity boards will provide a place for attendees to post "Positions Wanted," and learn about "Positions Available." Interested attendees may schedule interviews in the room set aside for that purpose. See a registration desk attendant for assistance.

### Special Student and Postdoc Travel Awards

5 travel awards are being offered in the amount of \$300 each for topics relating to the "Physiology Underlying Phenotypic Plasticity and Polyphenism" symposium. These presentations will be presented in an associated mini-symposium. Go to the SICB web site under Meetings/2003 Meeting page/Toronto symposia and click on this symposium for details of the competition.

### Message Board

A message board will be located in the SICB Registration/Information area. Attendees may also leave messages and announcements for other attendees on the message board. Please contact the Sheraton Centre Toronto, (416) 361-1000, to reach the SICB Registration/Information Area.

### Child Care

If you will be bringing children with you, please contact the concierge at the Sheraton Centre Toronto to arrange for recommended baby-sitting services.

## Membership Dues

SICB members attending the Annual Meeting must have their 2003 membership dues paid in order to receive the SICB member rate. You may join or renew your membership by providing membership information below. If you have already paid your 2003 SICB membership dues, you may skip this section. Please submit this form only once for each option. New membership and membership renewal/dues payment is for 2003.

NOTE: Membership dues will be processed separately from your registration fees and will appear as a separate transaction on your credit card bill.

You become a member by registering for the meeting as a non-member and filling out this form.
